

UReo modular 8-bay urinal system

- Innovative 8-bay modular urinal system for high capacity;
- Environmentally friendly, no need of water;
- Short turnaround time, creates faster movement and less waiting lines;
- Very small footprint in use and storage;
- Therefore low transportation costs;
- Extendable in rows;
- Quick and easy setup, connection and cleaning;
- 20x UReo can be shipped in special storage and transportation rack (240 x 240 x 240cm – optional);
- Rack can also be used for a combination with the ReRefresh handwash station;
- Available in any colour, depending on quantity
